

107-CH6B

PREMIUM DASH KIT

U.S. Patent Pending

Fits Ram Trucks 2019-2022

(with factory 8" screen and auto climate, excluding Classic models)

Visit [MetraOnline.com](https://www.MetraOnline.com) for more detailed information about the product and up-to-date vehicle specific applications.

KIT FEATURES

- Designed for shallow mount radios, modular chassis radios, or L-shaped bottom chassis radios.
- Full size DDIN installation will require extensive sub dash cutting.
- Painted scratch resistant matte black
- Retains factory climate control buttons and adds factory-style hard buttons with laser etched graphics to retain and control functions that are normally lost when removing the factory radio
- Built-in OLED screen displays the visual status of climate functions.
- Retains steering wheel audio controls
