

95-7643
PREMIUM DASH KIT

Nissan Pathfinder

2013-2020

(with color screen)

Visit MetraOnline.com for more detailed information about the product and up-to-date vehicle specific applications.

KIT FEATURES

- Factory-style hard buttons with laser etched graphics and rotary knobs retain and allow control of climate functions shown on an included 7-inch touchscreen display.
- Designed for most DDIN radio installations in the lower dash location. The 7-inch touchscreen can be installed in the lower location when installing a shallow mount or modular radio in the upper location.
- Integrated hazard button and passenger airbag indicator light.
- Retains audio controls on the steering wheel and back-up camera when equipped.
- Designed in multiple pieces and painted with factory matched charcoal and bright silver trim
