### PRODUCT OVERVIEW

Helios' RED Series HDMI® Cables with Ethernet incorporate advanced engineering, quality materials and expert construction to give you high performance at an affordable price. With the ability to deliver the full 18Gbps, 4K/60 HDR, 4:4:4 color space experience at distances up to 16 feet, the RED cable line is the answer for your 4K / HDR home theater and gaming systems. Convenient color coded inserts help you keep your system organized. All Helios cables come with a lifetime warranty.

- 18Gbps bandwidth supported
- 4K@60Hz 4:4:4
- All forms of HDR supported
- 24K gold plated connector for corrosion free connections
- Increased tensile pull tension without the risk of damaging connected equipment
- Multi-layer shielding
- Audio return channel (eARC and ARC)
- Pack of 4 interchangeable color coded inserts included; makes installation easy for DIY installers

**Lifetime Warranty**
