- Fits Porsche 2004-2009

PRODUCT OVERVIEW

Axxess has added new interfaces that can be used when replacing the factory radio in a vehicle. These interfaces provide NAV outputs when installing a navigation multimedia radio. The interfaces will also retain the MOST[®] 25 amplifiers. These interfaces will also come with an ASWC-1 in the packaging for an all-in-one solution.

- Provides NAV outputs
- Provides accessory 12-volt power
- Retains steering wheel controls
- Retains OEM amplifier (except the AX-VL9003Z and AX-VL9004Z)
- Retains chimes (when present)
