

IBEAM HEAVY DUTY COMMERCIAL DUAL LENS CAMERA

TE-CCDL HEAVY DUTY DUAL LENS CAMERA

 SALES 800-221-0932

MSRP: \$224.99

PRODUCT OVERVIEW

iBeam's Heavy Duty Commercial Dual Lens Camera provides commercial drivers with a 120 degree image of surroundings, to increase safety for large fleet vehicles. For larger vehicles that sit up higher, the dual lens can be adjusted so that one lens captures what's ahead and the other to shows what's directly in front of the bumper. Drivers will have visibility at night and in foggy conditions thanks to the 0 lux IR LED night vision and 12 IR LEDs. This sturdy 1/3" CMOS dual lens camera is made for rugged, commercial use. High quality metal housing and a water resistance IP69K rating ensures that it can withstand the elements during long days of driving. Designed for large commercial vehicles, this camera is functional with up to 100' of extension cable, and includes a 4-Pin DIN to RCA connector.
