MSRP: \$110.99

PRODUCT OVERVIEW

iBeam's Heavy Duty Commercial Camera with Microphone provides drivers with a 120 degree view of surroundings. Audio recording from the built-in microphone is an added safety feature. The 0 lux night vision and 18 LEDs allow this sturdy 1/4" CMOS camera to see at night, or even in foggy conditions. High quality metal housing and a water resistance IP67K rating ensures this rugged device can withstand the elements during long days of driving. Designed for commercial use, this camera is functional with up to 100' of extension cable, and includes a 4-Pin DIN to RCA connector.
