IBEAM 4.3" CLIP ON MIRROR MONITOR

SALES 800-221-0932

PRODUCT OVERVIEW

Our iBeam 4.3" clip-on mirror monitor is the perfect companion to your vehicle's backup camera. With universal applications, this monitor is an excellent way to increase driver safety when reversing or parking. Simply clip the monitor onto your existing factory mirror, and enjoy the benefit of added visibility. Display is virtually undetectable when switched off, revealing a flawless factory-quality mirror.

- Replacement rearview mirror with integrated 4.3" digital color LCD screen
- Video input for rearview camera
