TE-HPC-M2 STAINLESS STEEL HD CAMERA WITH MICROPHONE

 **SALES** 800-221-0932

PRODUCT OVERVIEW

iBeam's Heavy Duty Pro Commercial HD Camera with Microphone is also available with stainless steel housing. This camera provides commercial drivers with a 130 degree view of surroundings in 1080p HD resolution. Audio is also captured with the built-in microphone. This pro camera is the next step up for increasing safety for large fleet vehicles. Drivers will have visibility in dark or foggy conditions thanks to the 0 lux IR LED night vision and 6 IR LEDs. Small but powerful, the 11/32" Sony CMOS HD camera is rugged and ready for long hours of driving in all weather conditions. High quality stainless steel housing and a water resistance IP69K rating ensures that it can withstand the elements. Designed for large commercial vehicles, this camera is functional with up to 100' of extension cable.
